At Wakefield Cares Careers Hub, we are continuing to support displaced workers in Wakefield, **86 displaced workers have been successfully matched with employers and offered sponsorship**. We are working with a further 80 displaced workers who are actively seeking employment and sponsorship and are required to secure employment before their right to remain in the UK expires.

 ***Do you know someone who has become displaced and needs sponsorship support?*** 

Please ask the worker to complete the short questionnaire, and they will be assigned a regional hub to support them:
